

Greetings! My name is Kay Rodriguez, owner of the Lazy K Ranch in Reno, Nevada. I have served on the Calpaca board before (2 two year terms) and have enjoyed it so much, wanted to run again. The Calpaca organization is a dynamic group of people who share the same passion I do, Alpacas.

My Husband Ed and I started raising alpacas in 1999 while still in Southern California. We are now in our permanent home along with our 65 plus alpacas. I am the full time care taker of our herd and love it.

I did not have a livestock background when we started, just a love for these wonderful creatures. I have learned many things over the years and hope to learn a lot more. I try to share all that I can whenever needed.

I currently sit on four other boards and committees, AWE as Vice-President and your Calpaca representative, International Alpaca Odyssey as President, secretary of the ABONN group (alpaca breeders of Northern Nevada and on the Calpaca marketing committee. I believe that you need to be involved in the industry in as many ways as possible. I volunteer whenever possible and try to support our industry in as many ways as possible.

I would be honored to serve you again for the next two years. Please consider me for re-election.
