

Registration for the 2010 UC Davis Camelid Owner & Veterinarian Symposium

Sponsored by CALPACA - Hosted by the UCD Camelid Medicine Club
 January 16th & 17th 2010 - UC Davis Veterinary Large Animal Hospital

We are pleased to have Dr. David Anderson and Dr. Jane Vaughn joining us this year, along with other outstanding speakers. Check our full Symposium Schedule for the speakers and topics.

We offer three concurrent Tracks. You may “track hop”, i.e. attend sessions in different Tracks. CE Credits are available for Veterinarians and Vet Techs.

Basic Owner Track - New Camelid Owners; Vets, UCD staff, residents and students interested in basic knowledge about camelids.

Advanced Owner Track - Experienced Camelid Owners; Vets, UCD staff, residents and students with basic camelid knowledge.

Veterinarian Track - Vets, UCD staff & residents with camelid experience. Owners may attend but may not ask questions in the Veterinarian Track.

All attendees receive the printed handouts from all three tracks, both days. The handouts are whatever the speakers provide to us. We do our best to get handouts from all speakers.

New this year: You may register for a single day, either Saturday or Sunday. You will receive the handouts for both days.

Please join us Saturday evening for good food, good wine, and a chance to socialize with owners, vets and speakers.

Wine & Appetizer Meet and Greet
 Saturday evening, 5pm – 7pm

Registration fees:	Early Bird	After Dec 15
Full Symposium (Sat & Sun)	\$135.00	\$ 155.00
One day (Sat OR Sun)	\$ 80.00	\$ 90.00

Registration fee includes continental breakfast, lunch & admission to all seminars for registered day(s), plus handouts for all three tracks, both days.

Important dates:

Early Bird deadline Dec 15, 2009
 Deadline for refund request Jan 4, 2010

Refund Policy: Refund requests must be in writing. Send to: alpacaJoan@aol.com
 No refunds after Jan 4, 2010 (all expenses are incurred by 2 weeks prior to the Symposium)
